Hi Ila,

As requested, Barbara and I are sending along the 3 formaldehyde documents (Overview; main text; appendices) for your review. Although we still have some revisions to make (particularly in the Appendices, which are a bit of a mess), we tried to provide you with clean documents to ease your review.

I will send them as separate emails, since they are large.

Thanks again, please let us know if you have any questions, and have a splendid retirement if I don't talk to you before you leave!

Happy Holidays!

-Barbara and Andrew
